Nut Sensitive Policy

The Temple Beth Sholom Education Department is built on the foundation that every child grows and thrives in an atmosphere that is safe and nurturing. Each year we have a number of children with peanut/tree nut allergies. To help ensure the health and safety of all of our students, Temple Beth Sholom schools will all be a Peanut/Tree Nut-Sensitive environment.

Peanuts, peanut products, or products containing traces of peanuts or tree nuts may not be brought into the school wing of TBS. Foods that are brought to TBS for group consumption must be certified Kosher, in their original packaging and not contain nuts. For the safety of all of our students, please contact the Education Center office before you bring in any food for group distribution. Thank you for your help as we help ensure the health and safety of all the members of our community! For our full Nut Sensitive policy, please go to our website.

School Closing and Delay Policy

The closing or delayed opening of the Temple Beth Sholom Early Childhood Education Center is a decision made very carefully considering the importance of the continuity of learning in the classroom as well as the health and safety of all members of our community.

Communication

A school closing or delay will be determined and communicated as early as possible with the intent of making a decision by 5:00am. A delay or closing will be communicated in the following ways:

- TBS email stating specifics of a delay or closing
- Go to tbsonline.org for a posting of a delay or closing
- Facebook page posting
- Email from the EBJ ECEC Director
- Push message from the TBS App

Delayed Openings

- If there is a delayed opening **Daycare and Early Care** will start at 9:00am if possible.
- Families with children in **Daycare** or **Early Care** should email Ellen Berju (ellenb@tbsonline.org) with an estimated time that their child will arrive at school to help us ensure appropriate staffing.
- If there is a delayed opening, **Early Childhood** classes will start at 10:30am, including half day/morning classes if possible.
- When there is a delayed opening **Hot Lunch** or **After School Activities** will remain on a normal schedule. If a change in schedule or cancellation is required for **Hot Lunch** or **After School Activities**, it will be specifically noted in that day's school closing announcement.

School Closing

- If weather conditions warrant the closure of the EBJ ECEC, we will communicate this information through the procedures listed above.
- We primarily follow the Cherry Hill School District for closings or delays. There are occasions when Temple Beth Sholom will open and Cherry Hill Public Schools may close due to bussing issues. All TBS EBJ ECEC delays and closures will be communicated to you independently of any Cherry Hill School District announcement.
- If the TBS EBJ ECEC is closed, all **parent/child programs** including **Kids' MusicRound**, are cancelled.
